This list contains only those chemical products, for which the above mentioned Company has applied for approval according to the Global Organic Textile Standard (4.0). The assessment has been based on the current version of the material safety data sheets (MSDSs) and further product documentation provided by the supplier.

The company remains responsible for compliance with the GOTS-criteria, for the correctness and completeness of the data as well as for providing relevant updates and information that became available after approval. CUGB Turkey cannot be held liable for any loss or damage resulting from the use of these chemical products, including the failure to meet any limit values.

This list replaces all previous versions. It is valid until it is recalled or until a new list is issued, the latest, however, until a new version of the GOTS standard has entered into force.
